

IT PRE ACTION SHAMPOO deterge delicatamente la fibra capillare predisponendola in modo ottimale ai trattamenti successivi.

MODO D'USO Bagnare i capelli, applicare la giusta quantità di prodotto massaggiando in modo uniforme. Ripetere l'operazione lasciando il secondo passaggio in posa per 5 min. RISCIAQUARE BENE.

EN PRE ACTION SHAMPOO gently cleanses the hair fiber, optimally preparing it for subsequent treatment.

HOW TO USE Wet hair, apply the right amount of product, and evenly massage. Repeat, leaving it in for 5 minutes the second time. RINSE WELL.
